

GUAM DEPT OF AGRICULTURE (GDA)

VERY IMPORTANT: As of AUGUST 18, 2013 payments with application, copies of current and prior rabies certificates, and other immunization records must be received by the GUAM DEPT OF AGRICULTURE (GDA) not less than 4 weeks prior to pet entry. The entry permit will not be issued until payment is completed. All pets MUST have an entry permit to board any flight to Guam. IF THE PET ENTERS WITHOUT A VALID ENTRY PERMIT YOU WILL BE SUBJECT TO SUBSTANTIAL FINES AND YOUR PET TO A FULL 120-DAY COMMERCIAL QUARANTINE.

1. ACTUAL PERMITS will be emailed AFTER submission of the pet's health certificate to the GDA. Be careful to follow all procedures detailed in our brochure. In addition to the health certificate you must provide to us the carrier and flight number, date of entry, and quarantine facility reservation information.
2. FEES: Cat/Dog Entry Permit: 60.00 per animal; Pet License(s) are determined by the remaining duration of the rabies vaccination certificate, 5.00 per licensed year, per pet (not to exceed \$15 per pet). Make cashier checks payable to Treasurer of Guam. Do not send personal checks.
3. Specific rabies vaccine information must be indicated on the rabies certificate (lot expiration, date administered, serial, producer, printed name/signature/license# of the administering veterinarian).
4. Attach to kennel: Copy of current rabies certificate, Guam Entry Permit, and original health certificate. Be careful to comply with airline kennel requirements.
5. When the pet has completed the commercial quarantine, owners are responsible for obtaining release forms from the GDA for submittal to the quarantine facility.
6. Home Quarantine Rules: Pets must be isolated from all animals outside the household. Pets must be kept within the home or within the fenced area of that home.
7. IF your pet is arriving from a rabies-free area and has been approved for airport release by the GDA, you must schedule clearance by Guam Customs/Quarantine by calling 642-8071/8072.
